

St John the Evangelist Church, Ballinteer Avenue, Dublin 16

Our Parish Assembly was held on Saturday 18th November 2017 in the School Hall from 9.30am to 12.30pm.

There was a very good attendance at our Assembly. Our Parish Priest Fr Liam Belton opened the meeting with a prayer & addressed some important issues during the meeting.

The parish life was reviewed, the main concerns & recommendations from the various Parish Groups who met with the Parish Pastoral Council during the past six months were highlighted in a very well presented report from the Council.

After a time of prayer, parishioners talked in small groups about the good things that have been happening in the parish over the last few years & what they would like to see happening in the future.

There was also a report from the Parish Finance Committee & all present received the audited Accounts Summary for Year Ending 31st December 2016. This was also printed in the Sunday Message/Parish Newsletter for Weekend 18th /19th November'17 for all parishioners to see. The importance of the new different coloured envelopes for the 1st, 2nd & Roof Fund collections was also highlighted so that the Parish may avail of a Tax Rebate.

When the full report of the meeting is published it will be available on the Parish Website.
