

What the Ballinteer community in general and the twinning team in particular have done for us in Jangbunu is akin to what Christ said in the gospel of Matthew 25:35 "for I was hungry and you gave me food, I was thirsty and you gave me something to drink..." Your kindness will never be forgotten by us. We really appreciate and will forever remain grateful to you all. Silver and gold we have none. But we assure you of our continuous prayers. May God bless you all.

Yours in Christ,
